

DISCOVERING BIODIVERSITY

Educator Workshop

June 25, 2015 — 8:30 a.m. to 4 p.m.

Prien Lake Elementary School, Lake Charles, LA

- Open to formal and non-formal educators
- Receive up to 7 Professional Contact Hours for participating
- Focus on Louisiana Threatened and Endangered Species

Piping Plover

Participants in this exciting, dynamic workshop will receive hands-on instruction from experienced educators and biologists, get updates on Louisiana threatened and endangered species management initiatives, and go home with strategies and materials for including biodiversity instruction in their class curriculum.

Breakfast and lunch are provided. Attendees will receive a \$50 stipend, up to 7 professional contact hours, a selection of related lessons, plus a book, DVD and poster.

Find the registration form online at:

<http://www.wlf.louisiana.gov/discovering-biodiversity-application>.

Mail completed form and check for \$25 (to be returned upon completion of the workshop) to:
